## COMUNICADO OFICIAL LENNY KRAVITZ

Lamentamos comunicar que debido a motivos de salud, **Lenny Kravitz ha debido suspender el Love Revolution Tour**, razón por la cual el concierto programado para el próximo JUEVES 3 DE ABRIL, en el Estadio San Carlos de Apoquindo ha sido pospuesto hasta una nueva fecha que comunicaremos oportunamente.

Informamos a todos quienes hayan adquirido entradas, que serán validas para la nueva fecha del evento o bien, a contar del próximo Lunes 31 de marzo, podrán solicitar el reintegro del valor de sus entradas.

Adjuntamos para vuestro conocimiento el comunicado oficial del artista:

"Lenny Kravitz has been forced to postpone his upcoming South American tour, scheduled to take place this coming April, until later this year. Having just completed a European promotional trip, Kravitz never fully recovered from his recent bout with bronchitis, for which he was hospitalized last month, and as a result he needs to rest.

Lenny Kravitz sets remarkably high standards with his live shows and is very disappointed to postpone these dates. Kravitz looks forward to being fully recovered and to resuming his world tour with shows this May in Europe. He plans to return to South America later in the year when he is more fit and healthy.

Lenny Kravitz kicks off a 12 week European tour on May 29 in Vigo, Spain before headlining the large 'Rock in Rio in lisbon' festival May 30 and heading to 29 other European countries for his largest ever tour in that market".
